

With the generosity of warm-hearted people donating unwrapped toys, Toys for Tots has been able to put smiles on the faces of many underprivileged children during the holidays by organizing toy drives year after year.

Please help the cause by donating a

“NEW” UNWRAPPED TOY!

Your donation can be brought in with your child where there will be a collection box, or we can arrange a pickup or drop off location.

All donations are greatly appreciated!

**Please have your donation dropped off no later than
Friday November 22nd!**
